

Pixel Pod Studio License

The copyright for the interiors and templates is owned by Pixel Pod Studio.

Pixel Pod Studio extends to you a commercial use license for interiors and graphics you have purchased.

Licensing is dependent on the platform you are uploading to. Please make certain you are following the correct licensing terms.

Kindle Direct Publishing (KDP)

You May:

Create unlimited products.

Upload as is. Though we suggest you modify the interiors to have better success.

Use interior templates as part of another interior.

You May NOT:

Sell, give away, distribute, rent or sublicense the original master files or source files.

Sell, give away, distribute, rent or sublicense the interiors.

Sell, give away, distribute, rent or sublicense the graphics.

Sell the interiors or graphics as a Private Label Rights (PLR) / resell rights product in any way.

Use the name Pixel Pod Studio as part of your branding, marketing or in connection with your products.

Additional Publishing Platforms

Includes: IngramSpark, Lulu and other print on demand options, as well as, Etsy, Shopify, websites and other methods of selling as a printable or digital download.

You May:

Create unlimited, **modified**, products from these interiors to sell.

Use and edit **modified** interior templates as part of another interior.

Use **modified** interiors as giveaways and opt-ins on a website owned by you.

Modification Rules:

Significant changes must be made to the interiors in order to sell on platforms other than KDP.

Interiors must include modifications that make the templates at least 50% different than what you purchased from Pixel Pod Studio.

You must change the interiors themselves and cannot simply change fonts and add graphics.

You May NOT:

Sell, give away, distribute, rent or sublicense the original master files or source files.

Sell, give away, distribute, rent or sublicense the interiors for others to sell.

Sell, give away, distribute, rent or sublicense the graphics for others to sell.

Sell the interiors or graphics as a Private Label Rights (PLR) / resell rights product in any way.

Give a commercial use license / resell rights for others to use on interiors they purchase from you, or that you give away. The licenses granted herein are for your commercial use only. All products you make must be labeled for personal use only.

Use the name Pixel Pod Studio as part of your branding, marketing or in connection with your products.

If unmodified versions of Pixel Pod Studio interiors are found on Ingram Spark, Lulu, other print on demand platforms, or on Etsy, Shopify or websites etc., we will issue a takedown notice and you will be removed from Pixel Pod Studio membership immediately.

If anyone is found sharing master files, source files, or giving away the interiors for others to use or sell, you will be removed from Pixel Pod Studio membership immediately.

If you are removed from Pixel Pod Studio membership due to breaking the terms of this license, you will forfeit all license rights to previous interiors and will also forfeit any rights to forthcoming interiors for the month you are removed.

If you have questions about the license rights please contact us at support@pixelpodstudio.com

Best regards.
